Playing Experience:

Still trying to play FTI O-30's and O-40's

Collegiate Soccer:

Western Washington University, Goalkeeper 1985-87

Education:

Western Washington University, BA Speech Communications

Coaching Summary:

Get the kids to understand the game as best they can, put it to work and get them to play for you. Success and fun will follow.

Most Memorable Soccer Highlight:

As a player, being told I was not going to be able to play due to multiple injuries the night before my first College start, only to tape myself up in three places (I can't mention), deal with the pain and record a shut out the next day!

Personal/Other:

Seattle native, married with two kids (Max and Emily), resides in Kirkland. Tom is the co-creator of two of Seattle's entrepreneurial gems, Mambosok and Insta-Bench. When Tom is not coaching you can catch him golfing or snowboarding
